Below you will find the 2019-2020 fee schedule and when payments are due. You may wonder why the bulk of the fees are due at the beginning of the season. All equipment orders, uniform orders, and tournament entries are purchased before January 15. Alternate payment plans can be made on an individual basis. Please contact the proper individual listed above if you need to work out an alternate plan. That plan should be written on the top of your contract for our records. Please remember you can make smaller more frequent payments after your initial deposit is made at signing if that works best for you.
